Presidents Report

Autumn is here and hopefully the cooler days will inspire more opportunity to get into the bush. I know that a few people have been getting out and about so keep it up. Don't be afraid to run a trip – there a lot of members around who are only too happy to share advice and by the numbers on Daffy and Linda's trip, the interest is certainly there. In the next few months, Michelle, Mackenzy and I plan to do a family day trip to Bright – just a casual day in the park for the kids – we'll keep you posted. Once we have been to Tassie we'll get ourselves organized.

The group heading to Tassie will be meeting up with the No Limits 4 Wheel Drive Club who have offered to lead us on some trips – we cannot wait.

If you are on Facebook, check out our page [HERE](#), and tell your friends. Its another great way to advertise our club.

March's meeting will be held at my house again, as we are waiting to hear from another venue regarding using their facilities – sorry for the messing around, but this is the best we can do for now.

A Collection of Works by Geoffrey Boulton

After many years of travelling the length and breadth of Australia, photographer Geoffrey Boulton is now settled in Yackandandah and is unveiling his first exhibition.

As the collection's title "Perspective" suggests, it will feature a stunning array of pure photographic images of nature, landscapes and architecture.

The exhibition will present an alluring perspective of shapes, forms, light, patterns and textures that colour our fascinating world.

"I really want to share what I've seen and captured, and I hope that others will enjoy the results," he said.

While Geoffrey Boulton has dabbled in various artistic mediums, it is his fascination with light and the beauty of photography that has compelled him since his first exposure.

"I think what excites me the most about this medium is the thrill of seeing something at a unique moment in time

and then capturing that experience in an image," he said.

His interest in photography began as a boy in the 1970's when he was captivated by a series of original images of key World War II figureheads with the photographer's notes still attached.

"I still remember being fascinated by the photographer's ability to perfectly capture those people during defining moments in history, moments that can never be repeated. I then borrowed my dad's camera and started shooting."

The ensuing years saw Geoffrey Boulton, as a member of the Royal Australian Air Force, actively pursuing his photographic passion. His service in Malaysia led to an opportunity for him to expand his skills into aerial photography.

After leaving the Air Force, he devoted himself to a wide ranging 4WD touring career spanning 12 years during which he photographed the hauntingly beautiful landscapes of Australia.

In 2004 he assisted with the introduction of a new digital SLR camera involving some of Australia's premier professional photographers. This close relationship with the photographic industry kicked off his serious consideration of the art.

"I was utterly inspired by this experience and have constantly been photographing our beautiful region ever since," he said.

Examples of Geoffrey Boulton's work are presently hanging in Spiritus Art and Craft Gallery, 2 High St, Yackandandah.

"Perspective" officially opens at 6pm on 12 March 2010 in the Clarence Room behind Java @ Yack Café, 10 High St, Yackandandah and closes on 26 April 2010. For further information please phone Geoffrey Boulton on 0418 970 186 or email gmbimages@yahoo.com.au.

High Country Camping / 4wding Easter 2010

Date: Easter 2010. We will be heading down on the Thursday 1st April, hopefully find an area big enough for how ever many people want to come along

Trip Leader: Dave and Fiona

Contact Details: 0400 936 113

Destination: Camp at the Southern end of Buckland Valley beside the river.

Planning on day trips to The Pinnacles via Humffray River Tk, Wombat Range Tk, Billy Goat Bluff Tk and returning via Talbotville, Basalt Knob Tk. Would be a pretty big day depending how many cars and how much other traffic around. Easter time can make the tracks a bit busy.

Another day trip across to Hotham, Dinner Plain to check out Easter Festivities, a short drive accessing Hotham via Twins Jeep Tk.

Club Trip / Forum Trip: Club Trip

Max Number of vehicles: No limit for camping, 6 for Pinnacles trip, no limit for Hotham / Dinner Plain trip

Trip Description: As per listed in Destination section above. Basically set up camp, do whatever you want for the 4 days. Couple of day trips planned, anyone else with other places / things they want to do welcome also or just sit around and relax...

Approx Distance: approx 300Km return to camp site, day trips additional. Pinnacles ~250Km return, Dinner Plain ~150Km return

Fuel: Can top up at Myrtleford or Porepunkah. From The Pinnacles could duck across to Dargo if necessary for fuel, think fuel available at Dinner Plain... I am expecting to do the whole Easter weekend on one tank but don't know what other cars use or their tank capacities. Ours is 3.0 patrol with standard tanks.
